Disclaimer

4. Disclaimant, Kolinahr Systems, Inc. hereby disclaims the terminal portion of the term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term of United States Patent No. 6,672,356. Disclaimant, Kolinahr Systems, Inc., hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent No. 6,672,356, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantor, its successors or assigns.

5. Disclaimant, Kolinahr Systems, Inc., does not, by this disclaimer, disclaim any part of the term of any patent granted on the above-identified application prior to the expiration date of the full statutory term of United States Patent No. 6,672,356, in the event that later such patent expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated in whole or in part, prior to expiration of its full statutory term, except for through separation of legal title as stated above.

6. I hereby declare that the statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Fee Status and Payment

7. Disclaimant is a small entity. Upon acceptance of this disclaimer, please charge the \$65.00 disclaimer fee or any fee deficiency to Deposit Account No. 23-3000.

Respectfully submitted,

Kolinahr Systems, Inc.
